

THE FELIX PROJECT
GOOD FOOD FOR GOOD CAUSES

Schools Programme

Schools Programme

Who are we?

More than 10 million tonnes of food is wasted in the UK each year. At the same time food poverty is a huge and growing problem, with 1 in 10 children in the UK living with parents who struggle to put food on the table. The Felix Project provides a free door-to-door service to collect surplus food from suppliers and deliver it to charities and schools. Since March 2016 we have delivered food to over 560 charities and schools across London.

What is the Schools Programme?

In December 2017 The Felix Project started its Schools Programme. We provide a free weekly delivery of surplus food that is made available to children and their families to take home and enjoy.

What does The Felix Project provide?

- A weekly delivery of a wide range of produce including fresh fruit and vegetables
- A training session/assembly
- Support and advice whilst the market stall is being set up
